Subject: ACTION ITEMS - : Focus Group RE: biologics/biosimilars

Good evening Mélanie,

First, I wanted to thank you again for our call today to discuss Quebec's biologics to biosimilars switch policy.

I am emailing with a couple of immediate action items we had discussed:

1. Attached is the presentation we shared with you today;

2. Copied on this email is Lori's Executive Assistant – Helen – who can work with you to identify a time for our next call in 3 weeks.

We look forward to learning more about the policy during our next call and working together to ensure a seamless switch.

Sincerely,
Kate
